

INVESTURE

Address: 126 Garrett Street, Suite J
Charlottesville, VA 22902
Phone: (434)220-0280

Guest Parking

There are 2 hour parking spaces available on the street. Be sure to back into these spots to avoid towing. If you intend on being at our offices longer than 2 hours, please use our guest spots located across the street from our office. Our guest spots are spots 29, 30 and 31. Double parking in the guest spots is allowed.

Finding Our Entrance

We are in the “Gleason Building.” It is the smaller older building in front of the new 200 “G” building. There are many street level shops in the Gleason Building including Nest Realty, The Baker’s Palette, and Octagon Partners. When facing the front of the “Gleason Building,” walk through the brick courtyard. Investure’s entrance is the last door on the right, within the courtyard.

Cabs and Car Service

While it is fairly easy to get a cab in Charlottesville, they are not readily available on the street. We recommend the following services.
