After you cross the railroad tracks, turn right onto Garrett Street. The building on the corner of 2nd Street and Garrett Street is the Gleason's Building. There are several businesses on the lower level of the building (Moxie, Baker's Palette, Quince). We are on the second floor. You can park in any of the spaces along Garrett Street. There are two glass doors on the left side of the building. One is a side entrance to Moxie and the other – which you should use – is labeled “Second Floor Entrance.” Go up the stairs, take a left at the top, and go down the hallway. Our office entrance is on the right-hand side of the hallway.
